

The Thought of Norea

IX 27,11-29,5

Father of All, [Ennoia] of the Light [dwelling in the heights above the (regions) below,] Light dwelling [in the] heights, Voice of Truth, upright Nous, untouchable Logos, and [ineffable] Voice, [incomprehensible] Father!

It is Norea who [cries out] to them. They [heard], (and) they received her into her place forever. They gave it to her in the Father of Nous, Adamas, as well as the voice of the Holy Ones, in order that she might rest in the ineffable Epinoia, in order that might inherit the first mind which had received, and that might rest in the divine Autogenes, and that she (too) might generate herself, just as [she] also has inherited the [living] Logos, and that she might be joined to all of the Imperishable Ones, and [speak] with the mind of the Father.

And [she began] to speak with words of [Life], and remained in the [presence] of the Exalted One, [possessing that] which she had received before the world came into being. [She has] the [great mind] of the Invisible One, [and she gives] glory to Father, [and she] dwells within those who [...] within the Pleroma, [and] she beholds the Pleroma.

There will be days when she will [behold] the Pleroma, and she will not be in deficiency, for she has the four holy helpers who intercede on her behalf with the Father of the All, Adamas. He it is who is within all of the Adams, possessing the thought of Norea who speaks concerning the two names which create a single name.
